

NET FINANCIAL CONTRACTING CAPACITY (NFCC)

Contract : Installation of Traffic Light System at Corner Havahay, Lechon Manok and Mihullier
Pawnshop, Barangay Poblacion, Alubijid, Misamis Oriental

Contractor : **MIKATA PRIME CORPORATION**

Address : **L-25 & L-27 B-2, SAN AGUSTIN VALLEY HOMES, CARMEN,**
CDOC

We hereby submit this computation of Net Financial Contracting Capacity (NFCC) in relation to our bid proposal for the subject to be bid. Personally, and on behalf of the Bidder, I certify that the following computation of Net Financial Contracting Capacity (NFCC) is complete, true and correct.

Current Assets	=P 559,444.00
Current Liabilities	=P 184,576
Multiplied by 15 (contract duration)	=P 374,868.00
Less: Value of all outstanding work under on-going contracts	=P 0.00
Including awarded contracts yet to be started	
Net Financial Contracting Capacity (NFCC)	=P <u>5,623,020.00</u>

That, if upon verification, there are misrepresentation of facts and fictitious documents submitted therewith, material for eligibility, such shall be sufficient ground for ineligibility, and inclusion of my/our company among the Suppliers/Contractors blacklisted from participating in future bidding.

Very truly yours,

PATRICK CARLO P. DEDEL

PRESIDENT

MIKATA PRIME CORPORATION
